This issue of e-newsletter has been contributed by the students of English Department (Permanent Campus). Students of Level 2 Term 1 are doing their course titled "Writing Skill" in this semester. Under this course they learn how to write news articles for publishing in a newspaper. As e-newsletter is published by Students' Affairs, this turns into a great opportunity for them to publish their articles online. As a part of their assignment they have written a few articles in the current issue. - Mir Md. Fazle Rabbi, (Course Teacher), Lecturer, Dept. of English

Made with LOVE by DSA Team
